Learning
- UI/UX Design
- Docker
- AWS
- CI/CD
- React Native
- ChartJS

EDUCATION

University of Transilvania

Computer Science
Brasov
2015 - 2017

Following a year of theoretical study, I made a deliberate choice to shift my focus towards cultivating practical software engineering skills during subsequent years of university. This shift prioritized hands-on experience over traditional academics, allowing me to gain valuable insights and expertise in real-world application.
