## Upcoming Training & Events

### Multi-Professional Educator Conference

The annual Multi-Professional Educator Conference is on Wednesday the 6<sup>th</sup> of November 2024 at 1:30pm to 4:30pm (lunch will be provided at 1pm). We are keen for as many Lambeth educators to attend as possible. Please cascade to the relevant people in your PCN practices. Book your space by completing this [form](#).

### Training for Pharmacists

Recently, a successful asthma training event was held, bringing together a diverse group of healthcare professionals from across Lambeth. Attendees included community pharmacists, practice pharmacists, pharmacy technicians, and nurses, all collaborating and learning about asthma management. This multidisciplinary approach fostered valuable discussions.

Save the date – 26<sup>th</sup> November 2024 at 10:00am to 1:30pm – a face to face Pharmacist event is be arranged: Depression reviews and de-prescribing. Registration will be share in due course.

### Become a numeracy champion

South East London Integrated Care System (SEL ICS) has teamed up with the charity National Numeracy to offer free support and training to all health and care staff in SE London wanting to build their confidence with numbers, and boost their opportunities.

The initiative is part of [Every Londoner Counts](#), a capital-wide project, endorsed by NHS England and funded through The Lord Mayor's Appeal. It aims to build numeracy skills amongst adults and help them get a job or develop their current career and feel more confident in managing their money. [Learn more and sign up](#).

### Oliver McGowan training is now live

Staff can book directly onto the Oliver McGowan training. All staff are required to do the NHS [e-Learning for Health \(e-LfH\)](#) module first and then either the one-hour interactive session for those with no direct patient contact or the one day face to face session for everyone who has any direct patient contact.

We recommend considering sending your Practice Safeguarding Lead on this training. To book onto a session please click here>> [Oliver McGowan Mandatory Training - Tier 2 Staff](#)

There are limited spaces and will be allocated on a first-come, first-served basis.

Please note, LTTDH and SEL Workforce Development Hub are not running this training.

### Menopause masterclass for primary health and social care staff

Menopause masterclasses starting in November 2024, will be the first of a programme of activities aimed at improving the health and wellbeing of primary and social care staff, and addressing current disparities in the provision of support for staff across SE London ICS. ## Programme update

### Practice Manager's Development Programme update

The Practice Management Development Program, launched in June 2024, continues to offer valuable training opportunities:

#### 1. Coaching and Mentoring Training (Level 5)

- Four funded places were initially offered for this course.
- Two Practice Managers successfully completed their training in July 2024.
- Two places remain available.

#### 2. Senior Leadership Program (Level 7 CMI Course)

- Eight funded places were offered, and three Practice Managers are scheduled to begin the program in December 2024.
- The remaining five places are being directly offered to practices identified through resilient bids as needing support for their management structure. Final confirmation of these places will be made once this process is completed.

#### 3. Leadership Program (Level 5 CMI Course)

- Seven funded places were available. Five Practice Managers have booked, with four completing the program in the final week of September 2024, and one scheduled for completion in January 2025.
- Two places remain open for interested applicants.

#### 4. Group Coaching Session

Funding is still available for a one-off group coaching session, accommodating up to eight Practice Managers for a 3-hour facilitated discussion on topics of their choice. Three managers have expressed interest so far, and we encourage others who wish to participate to register their interest. To do so, please contact us at [LLTDH@selondonics.nhs.uk](mailto:LLTDH@selondonics.nhs.uk).

#### Next Steps:

Any remaining places will be offered in a second wave later this year. Further details will be shared in due course.

## Workforce planning

Lambeth Together Training and Development Hub are aware that general practices will be forecasting Additional Roles Reimbursement Scheme (ARRS) workforce requirements for the second half of this year, should you require any help please do not hesitate to reach out by emailing [LTTDH@selondonics.nhs.uk](mailto:LTTDH@selondonics.nhs.uk) with the subject line 'workforce planning'.

## Eye care information for Social Prescribers

South East London has recently commissioned an eye tests service for adults and children with learning disabilities or who are autistic. The service is provided by selected local opticians who offer longer appointments and a patient report.

## Lambeth Together HealthStart Careers Programme update

During our first year, we piloted our medicine programme and completed two school visits for Lambeth school students interested in applying for medicine. We also hosted an online careers fair showcasing a range of careers in health and social care for our students. These events were positively received and we plan to expand on this further this academic year.

We are currently arranging visits for our medicine programme with a hope to reach more schools and will shortly be contacting schools regarding interest in a pilot nursing programme. If you are a nurse practitioner in Lambeth and would be interested in being involved in visiting schools to inspire students about careers in nursing, please contact [ltdh@selondonics.nhs.uk](mailto:ltdh@selondonics.nhs.uk) with the subject line: 'Lambeth HealthStart Nursing Programme' for further information.

## Primary Care Network (PCN) Map

Lambeth's updated PCN map that includes GP practices, Clinical director, Lead GP educator, and Nurse facilitator for each PCN is available on our [Lambeth web page](#).

## Did you know?

The South East London Workforce Development Hub provides career support and training for all primary care staff. Clinicians can register to join weekly webinars on a range of clinical subjects.
