***FEEDBACK(강점과 보완점을 자세하게)

- ♥ encourage students speak out in full sentence.
- ♥ would be interesting for students to search pictures with teachers when they say the idea.
- ♥ energetic voice. Various face. Students love you!
- ♥ Category game: Students focus on what teacher says.
- ♥ encourage students speak out in full sentence using the template ex) _____ means _____.
- ♥ Give equal chances to each students. even one student won the game, gave chance to another who couldn't get chance. (Everyone can participate!)
- ♥ good to check the words "Sneeze is (with your motion & sound).
- ♥ Praise students a lot. ex) Anne is Super Question Master.
- ♥ easy definition. to make students understand well. (clues help you find conclusion?)
- ♥ Make students ask questions for teacher!
- ♥ Make students say interesting sentence with exclamation mark. we can check if students understands the usage.
