Welcome Message from the Board

Welcome in the precious, unchangeable, and everlasting name of our Lord and Saviour Jesus Christ. On behalf of the Board of Governors, Staff, and Students of Bethel Schools, we joyfully welcome you to our official online platform and community.

At Bethel, our educational philosophy is anchored on our motto, "Towards the Total Man". Our God is the ultimate administrator, executing all things with perfect order and purpose. Reflecting this divine order, we are dedicated to holistic development—nurturing our students academically, spiritually, physically, and morally to raise a well-rounded generation that excels in the fear of the Lord.

Revd Prof. Emmanuel Oyemomi
Proprietor, Bethel Group of Schools

Our Foundations

Our Vision

Bethel Schools is an academic institution committed to offering elementary and secondary education for the formation of the total man. We aim to transform the head, the heart, and the body to ensure training of global quality and contemporary African relevance.

Our Mission

To train and equip the head, the heart/mind, and the body of pupils and students towards the total man. We provide vocational training that is morally, spiritually, and intellectually dynamic, ensuring our students are ethically competent, academically excellent, and politically responsible.

Core Values

- **Academic Rigor:** Delivering a comprehensive curriculum that challenges intellect and fosters critical thinking.
- **Spiritual Discipleship:** Cultivating a love for God through daily prayers and moral guidance.
- **Character Building:** Instilling discipline, honesty, accountability, and respect in every student.

Our History

Bethel Kiddies Nursery and Primary School (founded 1994) and Bethel Comprehensive College (founded 2008) were established by Revd Prof. Emmanuel Oyemomi and Revd Mrs. Abosede Oyemomi as a missionary educational initiative.

Starting within the premises of Elshaddai Baptist Church in Egbeda, Lagos, the school relocated to Ijoko in 1999 to meet the growing need for quality

education in the area. What began as a daycare initiative has evolved into a robust educational center preparing students for WAEC and NECO examinations.

Educational Approach: The Threefold Mastery

At Bethel Schools, we believe true education must go beyond information to achieve transformation. Our deliberate approach includes:

1. **The Head:** Academic and intellectual mastery.
2. **The Heart:** Nurturing Christ-centered values and character.
3. **The Hands:** Skilling for creative, practical, and entrepreneurial excellence.

Academic Programs & Facilities

Level	Focus Areas
Nursery & Primary	Foundation of the first 10 years, focusing on core literacy, numeracy, and spiritual formation.
Secondary (College)	Rigorous preparation for WAEC and NECO with a focus on leadership and moral integrity.

World-Class Facilities

To support our "Total Man" philosophy, we provide:

- **ICT Lab:** Modern computing for digital literacy.

- **Science Laboratories:** Fully equipped for practical mastery.
- **Library:** A sanctuary for research and reading.
- **Sports Facilities:** For physical health and team building.
- **Boarding Facilities:** A safe, home-away-from-home environment.

Why Choose Bethel Schools?

- **Integrated Values:** We seamlessly integrate moral values and scriptural foundations into daily academic life.
- **Continuous Pathway:** Stable learning from early nursery care through college graduation.
- **Character & Discipline:** A strict moral code and loving discipline to raise high-integrity citizens.
- **Proven Excellence:** Over 30 years of academic excellence and success in inter-school competitions.

Admission Information

Requirements & Age

- The first 10 years of a child's education are ideally spent in Primary School.
- A child must be at least 10 years old to enter the secondary school to ensure proper maturity and formation.

How to Apply

1. **Online:** Visit our portal at bethel-schools.vercel.app.
2. **Physical:** Visit any of our campuses to pick up an application form.
3. **Entrance Exam:** Required for all new intakes.
