

The Fort - Lisaili

Experience a taste of the Dubai desert in our unique camp set inside The Fort - Lisaili. We invite guests to roam over sand dunes, taste delicious regional barbeque dinner, enjoy a variety of live entertainment and experience an evening of desert-themed adventure.

Only 45 minutes from downtown Dubai, we collect guests from their hotel or residence and transport them to our special desert camp. Camel rides, Henna painting and a beautiful sunset await before we serve a range of delicious dishes on our buffet and BBQ grill. Soft drinks and water are included but a comprehensive bar is also available. Guests can turn up the octane with a quad bike or dune buggy ride over the sand (chargeable) or try an authentic shisha pipe. Shared transfers are available and an optional dune drive can be added to your experience before arriving at the camp.

If a cancellation is made within 24 hours of the scheduled service, a 100% no-show fee will be applied. Please note that failure to show up for the scheduled service will result in the full fee being charged.
